Upload QVR Facility in the Voucher Management System (VMS)

The upload QVR Facility in the VMS was created to allow schools having QVR tagging issues in the LIS to bill their untagged QVRs by uploading the learner details in the VMS.

This facility shall cover Qualified Voucher Recipients who are either ESC Grade 10 Completers and Approved Voucher Applicants enrolled in the Non-DepEd SHS Provider that are untagged as QVRs in the LIS. Public QVRs will continue to be handled by the LIS-VMS API.

As a prerequisite for uploading the untagged QVR details in the VMS, schools should make sure that these QVRs for uploading are registered in the LIS and have Learner Reference Numbers (LRN).

The process to upload the untagged QVRs in the VMS are as follows:

Part I: Uploading of QVRs in the VMS

1. School accesses the VMS using their LIS User Account;
2. Download CSV file template in the "Upload QVRs" link found under the "Tools" section of the VMS;

Research and Innovation for Success in Education

The PEAC invites researchers to submit proposals focusing on the GASTPE Program and related research questions and topics articulated in DepEd's Basic Education Research Agenda (DepEd Order 39, s. 2016). Policy studies that are of particular interest are those that address, but are not limited to, the following research questions:

- How might GASTPE improve access to education in the Philippines across different vulnerable groups?
- How might the GASTPE mechanisms be improved to address the needs of targeted beneficiaries and at the same time consider the economic and institutional circumstances of private schools?
